Why Become a PWSA (USA) Member?

Our member community provides much needed revenue to support the daily operations of PWSA (USA). Did you know that we have eight counselors working either full or part time with our families? The counselors work with families on behavior, school, and nutritional issues. Counselors support families when medical crises occur. We are here for our families throughout all of the developmental stages of life to assist in any way we can.

Our members help provide the financial resources for our staff to provide these services for our families.

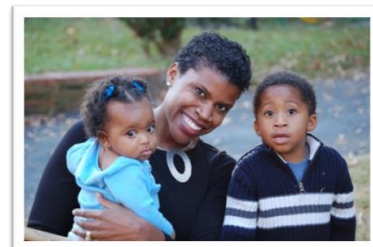

Please become a member today and ensure that we will be there to answer the next call from a family member seeking help and a comforting voice.

Membership Packages and Benefits

- Members strengthen the mission of PWSA (USA) by providing important funding for our family support and research efforts
