Parent Support Coordinator-PWSA (USA) 18-20 Hours per week

This position can work remotely or from the Sarasota office.

Prader-Willi Syndrome Association (USA)

This is an outstanding opportunity to become a part of the Family Support team at PWSA (USA), providing support and services to enhance the quality of life of those affected by Prader-Willi syndrome (PWS).

PWS is a complex genetic disorder affecting appetite, growth, metabolism, cognitive function and behavior.

The Family Support Team coordinates programs to help families with behavior management, nutrition education, crisis intervention, education, advocacy, guardianship, and medical intervention.

Parent Support Coordinator

The Parent Support Coordinator is responsible for providing written and verbal information to families who have just received a PWS diagnosis, as well as management of the Parent Mentor program.

Qualified candidates should possess the following skills:

- Excellent verbal and written communication skills
- Knowledge of PWS through the life-span
- The ability to work harmoniously with agency personnel, community stakeholders and other interested parties
- Strong problem solving, organizational and time management skills with excellent attention to detail
- The ability to work independently as this position may be remote

Qualifications

Ideal candidates will have a family member diagnosed with PWS. Experience managing volunteers is preferred.

Interested candidates can apply by mailing their resume to:
PWSA (USA)
