What food will be served?

- Because individuals with Prader-Willi syndrome have unique dietary needs due to metabolic challenges, we're committed to offering food that supports a restrictive, nutritious diet—while still being delicious for everyone! Stay tuned as we finalize the menu.

What do we need to know about parking/accessing the venue?

- There is ample complimentary parking available on-site with handicap spots. The venue is fully ADA compliant and wheelchair and stroller friendly.

What should I wear to "Claus for a Cause"?

- Dress in your favorite festive, family-friendly holiday attire! Think cozy sweaters, fun holiday shirts, Santa hats, or even matching family outfits. You'll be indoors with active kids' stations, crafts, and games, so comfort is key.

We are traveling from a distance to your event. Do you have any hotel recommendations?

Where are restrooms/changing stations located at the venue?

- Restrooms are conveniently located within the building offering women and men's rooms with handicap accessible stalls. There is an infant changing table located in the women's restroom.

Is there going to be a nursing or station for possibly feeding any tube-fed children?

- There is a small space in the women's bathroom with a couch. There will also be room around the venue.

I have food allergies. What should I do?

- Please contact us at pghpws@gmail.com and we will work to support your needs.

Will there be vendor tables at the event?

- At this time, we do not have space for vendor tables. However, we would love to work with local businesses and makers through our sponsorship opportunities. Sponsors receive great visibility before and during the event, and it's a wonderful way to support a meaningful cause while connecting with local families. Please reach out to us for more details!

What if I have additional questions?
