

# 2026 RESIDENTIAL PROVIDERS CONFERENCE SPONSORSHIP CATALOG

*Your opportunity to help educate and support residential providers in the Prader-Willi syndrome space.*

August 21-22, 2026

The Kimpton Brice Hotel | Savannah, GA

# A MESSAGE FROM OUR CEO STACY WARD, MS, BCBA

At PWSA | USA, our mission is to enhance the quality of life and empower individuals living with Prader-Willi syndrome (PWS). We know that achieving this mission requires a strong network of professionals, caregivers, and organizations working together to provide the best possible care and support.

The 2026 Residential Providers Conference, taking place August 21-22, 2026 in Savannah, GA, is a vital part of that effort — bringing together residential professionals from across the country to share knowledge, exchange best practices, and learn from one another. This conference creates a unique opportunity to strengthen our collective expertise and improve outcomes for individuals with PWS.

We also recognize the invaluable role that corporate and community partnerships play in making this event possible. The sponsorship opportunities outlined in this catalog are designed to help your organization connect with and support the dedicated professionals who make a difference every day in the lives of those with PWS.

We invite you to join us in this mission — to collaborate, learn, and grow together. Let's explore how we can tailor a sponsorship package that aligns with your organization's goals while advancing the shared vision of empowering individuals with PWS and those who care for them.

*Stacy Ward*

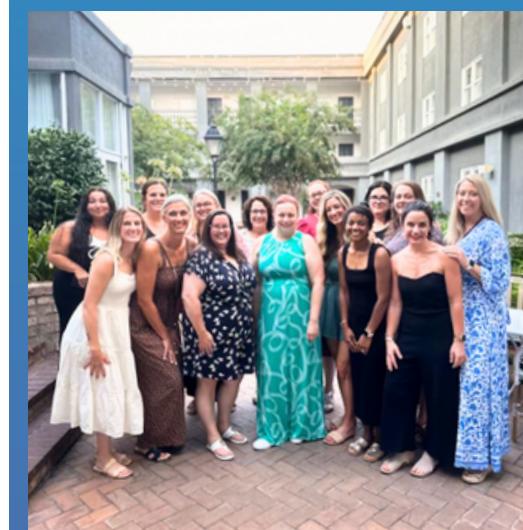

Stacy Ward, MS, BCBA  
PWSA | USA CEO

*"There is nothing more inspiring than spending time with people who are so committed to improving the lives of people with PWS! The learning, sharing, brainstorming, and connecting was a priceless experience, and I can't wait to do it again! Thank you PWSA | USA for highlighting the importance and dedication of professional providers."*

— Patrice Carroll, LICSW, Latham Centers
